Sponsorship Program

The 5,662-yard 18-hole course provides a fair test of golf and an enjoyable experience for both members and visitors alike. The Gander Golf Club hosts many tourists, convention groups and special events throughout the summer season. Gander Golf Club is an anchor attraction for Gander which offers locals and tourists a quality product in a pristine condition, encouraging them to return in the future.

This is an opportunity for your business to become an advertising partner with the Gander Golf Club. Sponsorship packages enable potential customers to discover your business during one of the 22,000 rounds played at the Gander Golf Club on an annual basis. Gander Golf Club also operates a Junior Program over 7 weeks of the summer which consists of approximately 60 junior golfers. If you take advantage of one of our packages your business will receive added exposure, thus further promoting your business.
