LADIES LEAGUE IS BEING REFORMATTED

We're excited to introduce a new format for the Ladies League this season! The league will now operate similar to the Men's League, giving players more flexibility and convenience each week. Every Monday, golfers can call the pro shop to book a tee time with a team of their choice. Don't have a full team? No problem - we'll happily pair you with a group for the evening. Following the 9 hole round, players are invited to stay for a social gathering at the clubhouse afterwards, featuring draw prizes and great opportunity to connect with fellow members. For members, the cost is \$10 for registration. For Non-members, it will be a \$20 green fee plus \$10 registration. Ladies league attendance was at an all time high last year, we hope to continue to see a great turnout this year!

We would like to extend a sincere thank you to Cicely Hefford and Diane Lomond for all of their hard work and dedication over the years in making the Ladies League such a success. Their contributions are truly appreciated as we move into this exciting new chapter.
